Good morning,

Thank you for meeting with us and for the thorough safety plan. Unfortunately [Redacted] has a cold and is quite congested so won't be coming to school today, though she is planning to attend tomorrow.

Thanks,
Brook

Hello Mr. and Ms. Boot:

Thank you again for meeting with me this morning. Attached is the revised safety plan that will go into effect tomorrow, 11/08. My hope is that this safety plan will help [Redacted] feel safe and be safe while at LOHS. Please review the plan, as I made a few minor changes after meeting with [Redacted] and let me know if you have any questions. I look forward to seeing Alex in school tomorrow.

Thank you,
